## Our Goals:

- STOP same-sex "marriages" and "civil unions" in Massachusetts and the United States.
- REMOVE the four rogue JUDGES of the Massachusetts Supreme Judicial Court through constitutional means.
- PREVENT the issuance of marriage LICENSES to same-sex couples in Massachusetts (before the May 17, 2004 deadline given by the SJC).
- ALERT the country: It's the activist judiciary that's the problem. No amendment or law is safe as long as illegitimate courts have ultimate control.

## Concrete Steps You Can Take:

- Contact your state representatives and senators and demand removal of the four SJC justices, through a Bill of Address. (A simple majority of legislators is required.)
- Demand that Governor Romney remove the four SJC justices.
- Tell Governor Romney to defy the illegitimate SJC ruling, and proclaim an executive order barring the issuance of same-sex "marriage" licenses. THERE IS NO SAME-SEX MARRIAGE LAW for him to uphold! Appealing to the SJC for a "stay" is a no-win strategy.
- Organize your friends, neighbors, co-workers, and faith communities.
- Hold local demonstrations, rallies, stand-outs; alert the press ahead of time. Focus: "Remove the SJC4."
- Distribute our handouts and get our petitions signed at stores, malls, sporting events, church, etc.
- Write letters to the editor and call talk-radio shows.
- Organize your own information session, or invite Article 8 Alliance to make a presentation.
- Volunteer at our office.
